**33rd Annual Minnesota Health Care Engineers Seminar
September 17, 18, and 19, 2008
Grand Casino in Hinckley, Minnesota**

This seminar will provide a forum to update and improve technical and management skills, assist in understanding the latest code requirements and technology advancements. Highlights include:

Education...a full day of educational opportunities on issues affecting all healthcare facilities including regulatory compliance, maintenance and safety.

Vendor Show...two opportunities to visit with sales and manufacturers reps from some of the industries leading companies to learn what new products and services are available to your facility. Chances to win many wonderful prizes as well.

Networking Opportunities...whether you are new to healthcare or experienced, this annual event provides opportunities to discuss the multitude of challenges that confront us everyday.
